# Product Portfolio

More than 12,000 employees worldwide are committed to making Symrise a unique company. They develop, produce and distribute a broad range of products that create exciting flavor and fragrance experiences, improve the properties of foods and help promote health and well-being – at more than 100 locations.

Our products are typically key functional ingredients in the end products of our customers, which include perfume, cosmetics and food manufacturers, the pharmaceutical industry and producers of supplements, pet food and baby food. The approximately 35,000 products we manufacture are largely based on natural raw materials such as vanilla, citrus fruits, onions, fish, meat, blossoms and other plant materials.

**The Taste, Nutrition & Health segment** has sites in 38 countries and sells its nearly 19,000 products in 148 countries. Taste, Nutrition & Health aims to make life better and healthier. As an augmented flavor house, the segment uses its combined know-how and scientific research to offer customers and partners solutions in the areas of taste, nutrition and health that are sustainable and based on natural ingredients. Symrise offers responsibly sourced ingredients treated with gentle proprietary processes utilizing IP and differentiated technologies to create flavorful, nutritious and healthy solutions. With more than 100 sites around the world, the segment serves the markets of the food and beverage industry as well as pet and fish food producers.

**The Scent & Care segment** has sites in more than 30 countries and markets more than 16,000 products in 133 countries. Scent & Care is divided into three global divisions: Fragrance, Cosmetic Ingredients and Aroma Molecules. Their products are used in various applications.
