

**BOTANICALS**  
**Fruitapone®**

## **Fruitapone®**

### **A Fresh Cocktail of Juicy Fruits**

#### **BENEFITS**

Fruitapone® are natural fruit extracts, specially created and developed by Symrise, with enhanced activity for cosmetic use.

#### **PRODUCT DESCRIPTION**

- Based on pure fruit concentrates
- Aqueous glycolic extracts
- Soluble in water
- Affect neither the fragrance nor the clarity of the end product
- Compatible with usual cosmetic raw materials
- Individual colors
- Preservative free
- Recommended dosage: 1-5%

Fruits are pure energy bombs, full of vitamins and indispensable ingredients – just the best a plant, tree or shrub has to offer.

### APPLICATIONS

- Surfactant-water-based products
- Emulsions
- Aqueous-alcoholic products
