The Symrise Group originally resulted from a merger between the German companies Haarmann & Reimer and Dragoco in 2003. In December 2006, Symrise AG entered the stock market with its initial public offering (ipo) and was admitted to the mdax about one year later. In September 2021, the company was admitted to the DAX, Germany’s benchmark index.

Unless otherwise specified, all figures as of December 31, 2021.
Symrise develops, produces and sells fragrance, flavoring and food ingredients, cosmetic active ingredients and raw materials as well as functional ingredients and solutions that enhance the sensory properties and nutrition of various products. Our company’s approximately 34,000 products are mainly produced on the basis of natural raw materials like vanilla, citrus fruits, onions, fish, meat, blossoms and plant materials. Our flavors, substances, perfume oils and sensory solutions are often central functional components for our customers’ end products. These customers include manufacturers of perfumes, cosmetics and foods, the pharmaceutical industry and producers of nutritional supplements, pet food and baby food.

The Taste, Nutrition & Health segment uses its combined expertise as well as scientific research to offer customers and partners unique, natural ingredient-based and sustainable solutions in the areas of taste, nutrition and health. With more than 100 sites in over 40 countries, the segment serves the markets of the food and beverage industry as well as manufacturers of pet food and fish food. The segment is divided into the two core Food & Beverage and Pet Food divisions as well as the two smaller Aqua Feed and Probi units.

The Scent & Care segment has sites in more than 30 countries and markets over 16,000 products in 135 countries. Scent & Care is divided into three global divisions: Fragrance, Cosmetic Ingredients and Aroma Molecules. Their products are used in various areas.

Symrise is a global supplier of fragrances, flavors, food, nutrition and cosmetic ingredients. Its clients include manufacturers of perfumes, cosmetics, food and beverages, pharmaceuticals and producers of nutritional supplements and pet food.

Its sales of € 3.8 billion in the 2021 fiscal year make Symrise a leading global provider. Headquartered in Holzminden, Germany, the Group is represented by more than 100 locations in Europe, Africa, the Middle East, Asia, the United States and Latin America.

Symrise works with its clients to develop new ideas and market-ready concepts for products that form an integral part of everyday life. Economic success and corporate responsibility are inextricably linked as part of this process.
